Any things can happen to the king on the road during his journey to the castle.
There may be a trap already waiting for them...

The more I'm running deep into the forest, it's getting darker
Huh?
In the front...
Lancelot?
RUSTLE RUSTLE
SIR LAN...

Huh...
!!!
The air around me suddenly has disappeared and I can't move...
can't make a sound either...
What?
It's so uncomfortable...
In the dark, a person suddenly grabs my hand...
I only can follow and go forward...
